REGISTRATION TO CHAMPIONSHIP

A) Registration: each of your members must be enrolled in the all-star Canadian championship.

For 2009-2010 pricing list, please visit the link below:
<http://www.cheerleadingquebec.com/tarification.html>

To register:

First, you must visit the website of the Federation in the event section and then click the Canadian championship.

Subsequently, you download and complete the appropriate forms for registration of teams and participants.

You must send the original forms in the FCQ office before Wednesday, May 5, 2010. We recommend you keep a copy of all forms to take with you the day of the competition.

B) Payment: certified check or money order (one check per club member), will be issued on behalf of the Federation of Quebec cheerleading. All payments must be received no later than Wednesday, May 5, 2010, otherwise the team will be denied participation.

C) Registration and accreditation kit (one binder per team): You will receive a binder containing all information required for accreditation during the competition. You must complete the documents (registration forms, release form for each participant) and bring them the morning of the competition. This binder will be submitted at the accreditation and verification table.

General Competition Rules

- The Federation of Quebec cheerleading reserves the right to cancel, combine or separate categories depending on the number of entries received;
- All teams will perform **twice**;
- You will receive the score of your first performance after performance of the last team in your division. The score of the second performance will be given after the award ceremony. Coaches can get the results in the coaches room. All non-recovered sheets will be destroyed;
- 2 panels of judges. Each will consist of 5 judges and 2 penalties judges. It is strictly forbidden to speak to judges and access their reserved area;
- All teams and partner stunt groups will have spotters provided by the FCQ;
- All teams must respect the time allowed to enter and exit the competition floor;
- No stunt or gymnastics is permitted outside the performance floor and practice area;
- All athletes must wear their uniform or team tracksuit throughout the day;
- Be sure to follow the general and safety regulations, as well as technical regulations applicable to all teams participating in the FCQ events. (a copy of these regulations will be included in the binder you will be given).

Participant Information

We are very pleased to know we will have you among us on May 23, 2010, first edition of a Canadian Championship. We hope you will enjoy this weekend and that your experience will be rewarding for you and your team.

This event is not just a competition, it is also a end of year celebration where games, activities and surprises await you!

Please find attached some information that will be very useful.

1. The Arrival, Practice and Performance order:

We ask all clubs and associations to collaborate and respect the order of arrival, registration, accreditation, practice and performance. Punctuality is necessary for the proper functioning and running of the event.

A final schedule showing the hours of passages to different points will be posted on the website and given upon your arrival. If schedule changes occurred during the day, rest assured that we will advise you accordingly. (Schedule forthcoming)

Upon arrival, a representative will meet you at the reception desk (door number to be determined). This person will check if the payments are received, provide you with an envelope containing the final schedule of passage, plans and procedures of the day, as well as important meeting points during the day. Furthermore, it will check the team binder for accreditation and you will receive passes to access the site. All accredited members have to wear this pass during their presence on the site.

Note: For those bringing several teams, please read competition and practice schedules carefully. Their should not be any major conflict schedule, however, it may be that your team is in the waiting area, while the other is in practice time. If so, please provide a workaround, to make sure that someone is with your other team.

2. Registration and Accreditation of Athletes :

Each team is called to come to the reception and accreditation desk , please respect the final schedule provided to this purpose. An initial audit of binder will be conducted at the reception desk. A second audit of binder and each participant will be completed at the accreditation desk (located in the warm-up and practice area).

We ask the coaches to come prepared with the binder that we will send you by mail, containing all information relating to competition such as: course of the day, technical and safety regulations, data sheets identification with photo and supporting documents (letter of attestation), waiver forms,.

It is very important to **keep silent and remain alert** to ensure smooth registration.

We encourage good sportsmanship throughout the event.

Please note that there is very little room to drop off your bags. We suggest you leave all valuables at home and bring the bare minimum with you. The federation will not be held responsible for lost or stolen objects..
