## Coaches' Certification Experience Validation Form

Coaches are required to have an Experience Verification Form signed by their teacher advisor, athletic director, principal or club owner acknowledging that they have completed the required number of hours at each level before earning certification at that level. It is important that coaches achieve the necessary experience at each level to ensure the safety of athletes and the integrity of the Coaches' Certification Program.

**Advisors, Athletic Directors, Principals & Club Owners** - Please ensure that you have personally witnessed the abilities of the coach to properly teach and coach the majority (if not all) of the skills included in the following levels. For further details regarding which skills are included in which level, please see the Coaches' Certification Information & Registration Form
