Team Funding

This year we have several types of funding available to teams. Please take a look at our SCA MAP (Membership Assistance Program) Information & Application document as well as our SCA Funding Information & Application document. We will distribute funding as we receive applications, so please send in your applications early. For more information, contact our Executive Director at executivedirector@sca.ca or call us at (306) 345-2208 (please leave a message).

Insurance

- We are purchasing insurance through the SCA. Please attach an Insurance Form and Waiver Form for each athlete and coach and submit payment with this membership form. Please use the Team Roster on the following page as a checklist.
- We are including a Certificate of Insurance from our insurance provider naming the SCA as "an additional insured."
This option is for those who choose to purchase their own insurance, or are covered by school-based insurance.

Membership Fees

Membership fees are determined by the type of membership (Single/Double) and the number of teams that your school or club has. Base rates will be applied to schools or clubs that have up to 2 teams. For schools or clubs that have more than 2 teams, an additional charge will be applied for each additional team (over the base of 2) plus the base rate.

2010-2011 Regular Membership Registration Form

IMPORTANT: This form must be completed in full (including the team roster) and an insurance form and waiver form for each participant purchasing insurance must be included. If these forms are not completed fully when sent it, the early bird discount will not apply. If you purchased a 3-year membership in 2008-2009 we are not charging you the difference of the increased rate. Please submit all forms in by January 31, 2011 otherwise a late fee will be charged. The advantage of a double membership is a stronger voice within the SCA. You will receive two "votes" at the AGM instead of the regular one "vote" that comes with a single membership.

Team Roster

Please fill out one team roster per team per division. Include all participants (athletes, coaches, advisors, etc.) who are a part of the team and whether they are purchasing insurance (and have included both an Insurance Form and a Waiver Form) or whether they are opting out. Coaches and advisors are eligible to purchase insurance.
